

# Product Cut Sheet

## RACK CABLING MANAGERS

Used to organize horizontal cable and wire runs. Two sizes of slotted plastic rings provide ample room to hold all types and sizes of wiring and cabling.

- Plastic rings are mounted 2.265" apart on 19", 23" or 25" aluminum panels
- White plastic rings on computer white color panel. All other color panels have black plastic rings
- Easy to install on equipment racks
