

# Product Information Sheet

## CASTER KIT FOR F-SERIES TERAFRAME™ CABINET SYSTEM

The Caster Kit for the F-Series TeraFrame is used to move the cabinet. Front casters are full-swivel. Caster Kit adds 2.8" (71 mm) to the overall height of the cabinet.

- Includes four casters and mounting hardware
- UL Listed (File E227626)

For assistance in configuring your F-Series TeraFrame Cabinet, contact Technical Support at 800-834-4969 or visit CPI's Product Configurator at [www.chatsworth.com/configurator](http://www.chatsworth.com/configurator).

Caster Kit for F-Series TeraFrame Cabinet (Gen 1)		
Part Number	Description	Shipping Weight
34563-C01	Set of 4 Casters, Black	21 lb (9.5 kg)

Caster Kit for F-Series TeraFrame Cabinet (Gen 2)		
Part Number	Description	Shipping Weight
35051-C01	Set of 4 Casters, Black	25 lb (11.8 kg)

*The F-Series TeraFrame Cabinet's frame design was revised in February 2009. If your cabinet has mounting rails that can slide front-to-rear without being removed from the cabinet, order service parts for a Gen 2 F-Series TeraFrame Cabinet. The sides of a Gen 2 cabinet frame have two front-to-rear grooves for attaching rails and accessories. If your cabinet has mounting rails that bolt through the side of the frame and must be removed and reinstalled to make a significant depth adjustment, order service parts for a Gen 1 F-Series TeraFrame Cabinet. The sides of a Gen 1 cabinet frame have a series of round holes for attaching rails and accessories.*
