RMR ENCLOSURE LED LIGHT KIT

Safety Information

⚠ **WARNING**: Improper use of this product or failure to follow these instructions may result in equipment damage, personal injury, or death. Read and understand all instructions for proper installation and use of this product.

Included Hardware for Each Door
The RMR Enclosure LED Light Kit is intended for use inside the enclosure and provides additional lighting within the enclosure.

Included Hardware for Each Door
1 – Magnetic-mount LED Light (On-Off switch or motion sensor activation)
1 – Power Cord

Assembly Sequence

1. Mount light in desired location. Light magnetically attaches to the inside of the enclosure, whether using the mounting channels or a flat inside face.
2. Attach power cord to light.
3. Plug cord into appropriate power supply.
