

Product Information Sheet

Solid Rear Panel for Evolution™ Cable Manager

Solid Rear Panel encloses the rear of the Evolution g1 Single-Sided Vertical Cable Manager.

- Easy installation – hangs from the top of the manager; attaches to the back of the fixed accessory panels with included hardware
- Install Cable Distribution Spools and any additional fixed accessory panels before attaching the Solid Rear Panel; does not block attachment of other cable management accessories inside the manager
- Sold individually or in pairs; select to match the width and height of the cable manager
