LOCKABLE STORAGE DRAWER

CPI's improved Lockable Storage Drawer keeps backup media, software, manuals, laptops, test equipment and extra patch cords in close proximity to where they are typically used within a rack or cabinet.

Lockable Storage Drawer is available for 19"W or 23"W racks and cabinets. It includes attachment brackets that allow center mounting on two-post racks with 3" or 6"D (80 mm or 150 mm) equipment channels, or front and rear attachment to four-post racks and cabinet systems with mounting rails that are adjusted between 24" and 39"D (610 mm and 990 mm).

- Attaches to any CPI freestanding 19"W or 23"W rack or cabinet system
- Available in three heights: 2U, 3U and 4U
- Features 20"D (510 mm) lockable drawer that extends full depth for easy access to stored equipment
- Redesigned to allow for stackable units
- Supports a 100 lb (45.4 kg) load (drawer and top surface combined)

Drawer with two-post mounting brackets

Drawer with four-post mounting brackets

Part Number	Description	Shipping Weight lb (kg)
19" Rack or Cabinet Mount Depth - in (mm)
