Base Dust Cover, Raised Floor

Base Dust Cover, Raised Floor

Offered in two styles to accommodate your needs. One style is for use with a new rack installation where there is room between the rack mounted equipment and the raised floor to install a one-piece cover. The other style is a two-piece design for use where equipment on the rack limits access.

- Installs securely in place over the mounting hole No mounting hardware necessary
- Material is .090" aluminum
- Fits within CPI enclosures
- For CPI Standard or Universal racks with 3" deep channel
