Installation Instructions

VersaEdgeÊ Wall-Mount Cabinet UPS Bracket

WARNING: Improper use of this product may lead to serious injury. Read and understand all instructions for proper installation and use of this product.

Included Hardware:
M5 Taptite Screws, 4 ea.
M3 Screws, 4 ea.

Tools Required: T25 Torx Driver
#2 Phillips Screwdriver

Installation Instructions

The UPS Bracket installs to the Universal Accessory Panel (43045-X01) in either the top or bottom mounting location (Fig. 1). The panel is used for mounting UPS part numbers LS350A or LS600A.

1. Mount the LS350A or LS600A UPS to the UPS Bracket using the included M3 Screws and a #2 Philips Screwdriver.
2. Install the UPS Bracket onto the Universal Accessory Panel in the top or bottom mounting locations using the included M5 Taptite Screws and a T25 Torx Driver.
