# Cable Ring Kit

The Cable Ring Kit is designed for the Evolution Single-Sided Vertical Cable Manager. Creates a separate cable pathway for premise cables at the back of the Cable Manager.

- Match the kit to the width of the vertical cable manager; one kit per manager
- Attaches to the rear flanges of the vertical cable manager with the included hardware
- Rings are C-shaped, with a plastic latch that opens to the left, right or can be completely removed for easier access to cables
- plastic hinges and gate are black
- Each kit includes 5 rings
